Item 1.01. Entry into a Material Definitive Agreement.

Debt Conversion Agreement

On September 18, 2023, Kidpik Corp. (the “Company”) entered into a Debt Conversion Agreement (the “Debt Conversion Agreement”) with Ezra Dabah, the Chief Executive Officer and Chairman of the Company (“Dabah”).

Pursuant to the Debt Conversion Agreement the Company and Dabah agreed to convert an aggregate of \$1,200,000 of principal owed by the Company to Dabah under certain outstanding promissory notes dated (a) September 23, 2021 (\$500,000); (b) October 8, 2021 (\$500,000); and (c) October 26, 2021 (of which \$500,000 is outstanding, and of which \$200,000 was subject to the Debt Conversion Agreement)(collectively, such \$1,200,000 of promissory notes, the “Converted Notes”), into an aggregate of 1,553,800 shares of restricted common stock of the Company (the “Debt Conversion Shares”).

The conversion price was equal to the greater of the closing consolidated bid price on the date the Conversion Agreement was entered into (or the prior day’s closing consolidated bid price in the event that the agreement was entered into during market hours), and \$0.7723 per share, provided that because \$0.7723 was above the closing consolidated bid price, the conversion price was fixed at \$0.7723 per share.

Pursuant to the Debt Conversion Agreement, which included customary representations and warranties of the parties, Dabah agreed that the shares of common stock issuable in connection therewith were in full and complete satisfaction of amounts owed under the Converted Notes, including all accrued and unpaid interest thereon, if any, which was forgiven by Dabah upon his entry into the Debt Conversion Agreement.

The issuance of the Debt Conversion Shares increases Dabah’s beneficial ownership of the Company’s common stock (when including shares subject to a voting agreement which Dabah is a party to and shares owned by his wife, which he is deemed to beneficially own) to approximately 68.1% of the Company’s outstanding common stock, compared to approximately 61.7% of the Company’s outstanding common stock prior to the issuance.

The foregoing summary of the terms of the Debt Conversion Agreement is not complete and is qualified in its entirety by reference to the full text of the Debt Conversion Agreement, which is filed as Exhibit 10.1 to this Current Report and is incorporated in this Item 1.01 by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The information and disclosures set forth in Item 1.01 above are incorporated into this Item 3.02 by reference in their entirety. The Company claims an exemption from registration pursuant to Section 4(a)(2) and/or Rule 506 of Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), for the issuance of the Debt Conversion Shares, since the offer and sale of such shares did not involve a public offering and the recipient was an “accredited investor”. The securities were offered without any general solicitation by us or our representatives. No underwriters or agents were involved in the foregoing issuances and we paid no underwriting discounts or commissions. The securities are subject to transfer restrictions, and the certificates evidencing the securities will contain an appropriate legend stating that such securities have not been registered under the Securities Act and may not be offered or sold absent registration or pursuant to an exemption therefrom. The securities were not registered under the Securities Act and such securities may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act and any applicable state securities laws.

Item 7.01. Regulation FD Disclosure.

On September 18, 2023, the Company issued a press release announcing the entry into the Debt Conversion Agreement, which is attached as [Exhibit 99.1](#) hereto and incorporated by reference herein.

The information contained in, or incorporated into, this [Item 7.01](#) of this Current Report, is furnished under [Item 7.01](#) of Form 8-K and shall not be deemed “[filed](#)” for the purposes of Section 18 of the Exchange Act of 1934, as amended (the “[Exchange Act](#)”) or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into the filings of the Company under the Securities Act or the Exchange Act regardless of any general incorporation language in such filings.

Item 8.01. Other Events.

As a result of the transactions contemplated by the Debt Conversion Agreement, the stockholders’ equity of the Company as of September 18, 2023 is greater than \$5 million (unaudited).
