**Item 8.01. Other Events.**

On March 4, 2024, Kidpik Corp. (the “Company”) issued a press release announcing that its Board of Directors has approved a one-for-five reverse stock split (the “Reverse Stock Split”) of the Company’s outstanding common stock. A copy of the press release is filed herewith as Exhibit 99.1 and is incorporated by reference into this Item 8.01.

The Reverse Stock Split is expected to become effective on March 7, 2024 at 12:01 a.m. Eastern Time (the “Effective Time”), with shares to begin trading on a split-adjusted basis at market open on March 7, 2024. In connection with the Reverse Stock Split, every five shares of the Company’s common stock issued and outstanding as of the Effective Time will be automatically converted into one share of the Company’s common stock.

The reverse split will affect all issued and outstanding shares of common stock. All outstanding options and other securities entitling their holders to purchase or otherwise receive shares of common stock will be adjusted as a result of the reverse split, as required by the terms of each security. The number of shares available to be awarded under the Company’s equity incentive plan will also be appropriately adjusted. Following the reverse split, the par value of the Common Stock will remain unchanged at \$0.001 par value per share. The reverse split will not change the authorized number of shares of common stock or preferred stock. No fractional shares will be issued in connection with the reverse split, and stockholders who would otherwise be entitled to receive a fractional share will instead receive one whole share of common stock in lieu of such fractional share.
